

This is a polite reminder to all supporters of Marjon Sports Federation teams,

Whilst we are ecstatic that some of our sporting teams can play matches, we still must abide by the Government guidelines and the law.

You must all always remain in groups of up to 6 and observe social distancing. We ask that you utilise the spectator area in front of Clark Halls as well as in front of the Grandstand to allow for sufficient space between different groups.

Please remember that students are not the only users of the Sports Centre, therefore we must ask you to respect all users and allow at least a 2M gap between yourselves and them when spectating.

If these guidelines are not adhered to then we will have no choice but to prohibit spectators for the remainder of the Semester.

Kind regards,

The Marjon Sports Federation Executive Committee
